

Learn how to use the Pennsylvania Prescription Drug Monitoring Program (PA PDMP).

As of August 25, 2016, the PA PDMP has been available for searching patients. In order to use the program effectively, please visit the program's [website](#) for these and other important resources:

- [PA PDMP tutorial](#): learn how to navigate the PA PDMP.
[PA PDMP FAQs](#): Please review the answers to the most frequently asked questions about the program. This list will continually be updated.
[PA PDMP User Role Guides](#): The Office of Drug Surveillance and Misuse Prevention (ODSMP) has created user guides for pharmacists and their delegates, which guide new users through how to use the system.

In order to access this valuable tool, you must be registered!

If you have not done so already, please register for the PA PDMP – [click here to get started!](#)

For the latest updates on the program, visit the [PA PDMP website](#). The site offers a Q&A page, more details for dispensers and prescribers, and contact information for the Office of Drug Surveillance and Misuse Prevention (ODSMP).

Sincerely,

The Prescription Drug Monitoring Program Team
Office of Drug Surveillance and Misuse Prevention
