INFORMATION

YOU MUST MAINTAIN CURRENT CERTIFICATION WITH A CERTIFYING ORGANIZATION IN CONJUNCTION WITH A PENNSYLVANIA LICENSE.

You can only be licensed in the crane specialty for which you are certified. Addition of a crane specialty to your Pennsylvania license is obtained by application, payment of fee, and proof of certification.

Licenses expire **October 31** of even-numbered years regardless of initial date of licensure. Licenses are not forwardable. Duplicate licenses are issued upon request with a fee of \$5.00 made payable to the Commonwealth of PA and mailed to the Board office or by accessing the on-line process.

You will be notified of application discrepancies by email.

If a pending application is older than one year from the date submitted online and the applicant wishes to continue the application process, the Board will require the applicant to submit a new application including the required fee.

In order to complete the application process, many of the supporting documents associated with the application cannot be more than six months from the date of issuance.
