Q: What duties must my supervised clinical experience contain?

A: Under Section 49.13(b)(1) of the regulations: At least one-half of the experience (1,500 hours) shall consist of providing services in one or more of the following areas:

- (i) Assessment
- (ii) Counseling
- (iii) Therapy
- (iv) Psychotherapy
- (v) Other therapeutic interventions (psycho-education)
- (vi) Consultation
- (vii) Family therapy
- (viii) Group therapy

Please note the above 8 experiences should involve direct client contact. The remainder of the clinical experience must be related to work with clients. **Example: case documentation and recordkeeping activities; supervision of another mental health professional related to practice; group or peer supervision related to practice; court testimony related to work with client(s); advocacy on behalf of client(s); other activities that involve, support or enhance work with clients.**

Please be advised that administrative duties cannot be counted towards the 3000 hours of supervised clinical experience. Example: administrative supervision of another individual, completing human resource and/or budget documentation, etc.

Please refer to Section 49.13(b) of the regulations for the supervised clinical experience requirements.

Q: What are the qualifications for a supervisor to supervise the 3000 hours of supervised clinical experience?

A: For supervised clinical experience completed prior to January 1, 2006, 1500 hours must be completed either under an individual who holds a current license as a professional counselor and has 5 years of experience within the last 10 years as a professional counselor (Section 49.3(1)) OR under an individual who practiced as a professional counselor and has 5 years of experience within the last 10 years as a professional counselor (Section 49.3(3)). The other 1500 hours may be completed under an individual who holds a current license and has at least a master’s degree in a related field and has 5 years of experience within the last 10 years in that field (Section 49.3(2)), as per Section 49.13(b)(2) of the regulations.

Revised 11/05/12 – Please watch the Board’s website for updates.

For supervised clinical experience completed after January 1, 2006, 1500 hours must be completed under an individual who holds a current license as a professional counselor and has 5 years of experience within the last 10 years as a professional counselor (Section 49.3(1)) and the other 1500 hours may be completed under an individual who holds a current license and has at least a master’s degree in a related field and has 5 years of experience within the last 10 years in that field (Section 49.3(2)), as per Section 49.13(b)(2) of the regulations.

Supervised clinical experience completed in another state may be counted towards meeting the Pennsylvania supervised clinical experience requirements as long as the experience meets Pennsylvania requirements.

Please also refer to Section 49.14 of the regulations for the Standards for Supervisors.

Q: What documentation am I required to maintain while I am completing my supervised clinical experience?

A: You and your supervisor must maintain records as defined in Section 49.14(Standards for supervisors). You and your supervisor would devise a form to use to maintain your records. The Board may request these records if it becomes necessary.

Q: How many individuals completing the supervised clinical experience requirements may a supervisor supervise?

A: Under Section 49.13(b)(6) of the regulations – A supervisor shall supervise no more than 6 supervisees at the same time. If this provision creates an undue hardship on a supervisee, the supervisor and supervisee may request an exception to this provision. The request shall state, in writing, the reasons why this provision creates a hardship on the supervisee and why the supervisee is not able to obtain a supervisor who meets the requirements of this provision. **Please be advised that in certain circumstances the Board may require a personal appearance by the supervisee and supervisor.**

Q: If I am unable to locate my supervisor or my supervisor is deceased, how do I have my supervised clinical experience verified?

A: If you do not hold a professional counselor license in another state, you can have another individual who can attest to the fact that the supervised clinical experience has occurred, submit the following documentation:

- (1) A notarized statement by the applicant indicating why the supervisor cannot complete the supervised clinical experience forms.
- (2) A notarized statement, by the individual attesting to your supervised clinical experience, indicating how that individual can verify that the supervised clinical experience occurred and indicating why that individual is completing the supervised clinical experience forms instead of your supervisor.
- (3) The supervised clinical experience forms, completed by the individual attesting to your supervised clinical experience, indicating your supervisor’s name and qualifications and all other documentation.

If you hold a professional counselor license in another state, you may request that copies of the supervised clinical experience on file with the other State Board be forwarded to the PA State Board for review.

Revised 11/05/12 – Please watch the Board’s website for updates.

Q: I am licensed in another state as a professional counselor. What is the procedure for licensure?

A: The application is available on the Board’s website at www.dos.state.pa.us/social, then click on “Licensure Information” and then click on “Board Forms” and then click on “Application for a License by Endorsement without Examination to Practice as a Professional Counselor”. Follow the instructions for submitting the application form, required documentation and fees. **Please note that you must hold a license as a professional counselor in another state and have been actively engaged in the practice of professional counseling for 5 of the last 7 years immediately preceding the filing of this application for licensure by endorsement. If you do not meet the requirements for licensure by endorsement, you must complete the Application for a License by Examination to Practice as a Professional Counselor.**
