

**SIGNATURE REQUIREMENTS FOR STATEWIDE OFFICES
GENERAL ELECTION - NOVEMBER 8, 2016**

<u>Office</u>	<u>Signatures</u>
President of the United States	5,000
United States Senator	5,000
Attorney General	2,500, including at least 250 from each of at least five counties.
Auditor General	2,500, including at least 250 from each of at least five counties.
State Treasurer	2,500, including at least 250 from each of at least five counties.

*These signature requirements have been updated as a result of a federal district court order that established new signature requirements for nomination papers filed by statewide candidates from the Constitution Party, the Green Party and the Libertarian Party. See Order, *Constitution Party v. Cortés*, No. 12-2726, Doc. No. 97 (E.D. Pa. June 30, 2016). Because having different nomination requirements for different political bodies raises equal protection concerns under both the Federal and State Constitutions, and because other political bodies would likely be able to obtain relief similar to that already afforded to the *Constitution Party* plaintiffs, **the Secretary of the Commonwealth has decided to apply the new signature requirements to all nomination papers submitted by statewide political body candidates. However, notwithstanding the decision of the Secretary of the Commonwealth to apply the lower signature requirement to all nomination papers for all political bodies for statewide candidates, it remains possible that individual qualified electors may file objections to nomination papers in court on the basis that the federal court order does not expressly apply to statewide political body candidates other than the three political bodies who brought the litigation. In the event that objections to a nomination paper were filed by a qualified elector, the court would determine on its own authority whether to enforce the signature requirement imposed by section 951(b).**
