AGREED VIOLATIONS

5. Respondents agree that by engaging in the foregoing activities they violated the following sections of the Act at:

a. 10 P.S. § 162.5(a)(1), by soliciting charitable contributions in the Commonwealth of Pennsylvania by the inclusion of various charities' names and logos in a promotional brochure without permission in multiple years up to and including 2005 without first being properly registered as required by 10 P.S. § 162.5(a);

b. 10 P.S. §162.15 (a)(2) – utilizing any unfair or deceptive acts or practices or engaging in any fraudulent conduct which creates a likelihood of confusion or of misunderstanding – in that Colonial Valley represented that proceeds benefited the Ronald

McDonald House Charities (in 2002), the Make-A-Wish Foundation (in 2002) and the American Heart Association (in 2002 and 2003) when in fact they did not.

c. 10 P.S. §162.15 (a)(3) – utilizing any representation that implies the contribution is for or on behalf of a charitable organization, or utilizing any emblem, device or printed matter belonging to or associated with a charitable organization without first being authorized in writing to do so by the charitable organization – in that Respondents printed promotional materials in multiple years up to and including 2005 with the name and logo of the American Cancer Society, Ronald McDonald House Charities, Make-A-Wish Foundation, American Red Cross and American Heart Association without such organizations authorizing them to do so in writing.

d. 10 P.S. §162.15 (a)(5) – misrepresenting or misleading anyone in any manner to believe that the person on whose behalf a solicitation or charitable sales promotion is being conducted is a charitable organization or that the proceeds of such solicitation or charitable sales promotion will be used for charitable purposes when such is not the fact – in that Colonial Valley represented that proceeds benefited the Ronald McDonald House Charities (in 2002), Make-A-Wish Foundation (in 2002) and the American Heart Association (in 2002 and 2003) when in fact they did not.

such organizations had authorized the use of their name and/or logo when in fact they did not.

g. 10 P.S. §162.15 (a)(12) – representing that any part of the contributions received will be given or donated to any other charitable organization unless such organization has consented to the use of its name prior to the solicitation, through a written consent signed by any two authorized officers, directors or trustees of the charitable organization – in that Colonial Valley represented that donations would be made to the American Cancer Society, Ronald McDonald House Charities, Make-A-Wish Foundation, American Red Cross and American Heart Association when Colonial Valley had no written authorization to use the American Cancer Society's name in brochures promoting the Scream Park and Haunted Mill.

CASE SETTLED AND DISCONTINUED

7. This case shall be deemed settled and discontinued upon the Secretary issuing an Order adopting this Consent Agreement and the Respondents' successful completion of any ordered discipline. AGREEMENT DOES NOT PREVENT REFERRAL TO OTHER AGENCIES

12. The parties acknowledge that other federal, state, and/or local agencies may have jurisdiction over the activities of, or representations made by, Respondent and its officers, directors, agents, employees or independent contractors. Nothing in this Consent Agreement or the Order based upon this Consent Agreement shall preclude representatives of the Bureau from referring any information or data produced as a result of this matter to any federal, state, or local agency or governmental unit having jurisdiction over the activities of Respondent or any officer, director, agent, employee or independent contractor of the Respondent.

VERIFICATION OF FACTS AND STATEMENTS

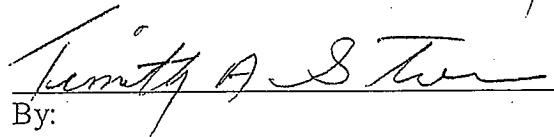

13. Respondents verify that the facts and statements set forth in this Agreement are true and correct to the best of Respondents' knowledge, information and belief.
