RULONA-Compliant Education Courses

On April 29, 2017, the Department of State (Department) gave notice that it has approved notary education courses under 57 Pa.C.S. § 322(b) (relating to examination, basic education and continuing education) of the Revised Uniform Law on Notarial Acts (RULONA). Beginning October 26, 2017, all notaries – new and reappointed – must complete a three-hour notary public education course approved by the Department. The course must be completed within the six-month period immediately preceding application.

The list of RULONA-compliant courses is below. The Department will update the list as it approves new courses.

Listings indicate whether the course is delivered via classroom instruction and/or online.

Many notary education providers offer additional services to notaries, such as bonds, errors and omissions insurance, and notary equipment (including stamps and journals). Please note that the Department of State does not regulate these services.
