

**VERIFICATION OF OUT-OF-STATE REFERENCES**

I, \_\_\_\_\_, applicant for licensure as a Landscape Architect, verify that there are not at least two Pennsylvania-licensed landscape architects who are familiar with my work such that they could attest to my professional work and moral character. I have included references from professionals licensed in another state.

I understand that the statements made in this verification are subject to the criminal penalties of 18 Pa.C.S. § 4904 (relating to unsworn falsifications to authorities). I further understand that if it is discovered that the above statements are not true, I may be subject to further discipline by the State Board of Landscape Architects, including, but not limited to, a revocation, suspension or probation of my license and/or the imposition of a civil penalty.
