The American Medical Association defines Category 2 activities as those which have not been formally designated by an accredited provider for AMA PRA Category 1 Credit. Individual physicians may claim AMA PRA Category 2 Credits for learning experience that have improved the care they provide their patients. Category 2 activities include reading journal articles.							
AMA PRA Category 2 Credit may be earned for activities physicians have undertaken on their own that should be beneficial to their practice. <u>Credit claimed should be commensurate with the actual time spent on an activity</u> . Information regarding the requirements to obtain AMA PRA certification can be found on their web site at www.ama-assn.org/cme .							
Acts of charity, volunteer time and service on a council or committee DO NOT earn a physician CME credit.
