

Termination of a Written Agreement

- The termination can be initiated by either the supervising physician or physician assistant.
 - Supervising Physician Initiating – locate the relationship in the professional license details section of your PALS dashboard. Next to the written agreement number, click on the green edit pencil.
 - Physician Assistant Initiating – locate the relationship in the Relationship/Association section of your PALS dashboard. Next to the written agreement number, click on the green edit pencil.
- You will need to confirm that you are terminating the relationship. The relationship will be terminated as soon as you confirm.
- An email confirming the relationship has been terminated will be sent to both the supervising physician and physician assistant.

The screenshot displays the PALS dashboard interface. A modal window titled "Change Options (License)" is open, showing two buttons: "Duplicate License" and "Termination of Written Agreement". The "Termination of Written Agreement" button is highlighted with a red rectangular box. Below the modal, a table of license details is visible. The table has columns for License Number, Name, Board/Commission, License Type, Status, Issue Date, Expiration Date, and Related Licenses. Two entries are shown for SEAN DAVID BURKE, one for Osteopathic Medicine (Physician and Surgeon) and one for Written Agreement. A "TFP Extension" banner is visible in the top right corner.
