4 Appointment - Department of State Policy Presentation  
5 [Kalonji Johnson, Policy Director, Department of  
6 State, discussed his role to oversee policy decisions  
7 and to be the resource that lobbies legislature on the  
8 Board's behalf. He noted that the legislative session  
9 had ended for the current session but would discuss  
10 legislative concerns with the Board.

11 Mr. Johnson also oversees policy as it relates to  
12 the regulatory process by shepherding regulations  
13 through the regulatory process. He noted one pending  
14 regulation regarding practitioners of oriental  
15 medicine provisional changes.

16 Mr. Johnson discussed Senate Bill 655 regarding  
17 prescribing practices, which died on the third  
18 consideration. He reviewed the legislative process,  
19 stating that a legislative initiative generally starts  
20 development at the policy office. He explained that  
21 legislation directly affecting the Board is  
22 cosponsored and then goes to the House Professional  
23 Licensure Committee.

24 Mr. Johnson and Ms. Dillon analyze bills,  
25 interact with the Board, and then present those

1 concerns to the sponsoring legislator.

2 Mr. Rish explained that Mr. Johnson works with  
3 Board Counsel, the Pennsylvania Medical Society, and  
4 other concerned associations for a legal analysis of  
5 legislation and its impact on the Board.

6 Chairman Loiselle attended the Federation of  
7 State Medical Boards Meeting and noted that many of  
8 the Boards in other states have a very interactive  
9 relationship with legislature. He commented that the  
10 Board is a good resource regarding legislation and  
11 should be more proactive with reference to licensing  
12 issues under this Board's auspices.

13 Mr. Johnson stated the Board having a more  
14 proactive position was absolutely within the realm of  
15 what the Governor envisions for the policy office.

16 Chairman Loiselle stated the Board will form a  
17 Legislative Liaison Committee as a reaction to matters  
18 brought from the legislature or a permanently standing  
19 committee.

20 Chairman Loiselle noted a meeting to follow the  
21 regular session concerning naturopathic and oriental  
22 medicine.]

19 within 7-10 business days.]

20 \*\*\*

8 applications for physicians and physician assistants.

19 Health Committee Meeting on September 6, 2018, where  
20 orthotic fitters as well as naturopaths' regulations  
21 were entertained. He noted a presentation from Ms.  
22 Tamarkin regarding allowing orthotic fitters extended  
23 time to test.

24 Mr. Mitchell commented that the process would  
25 take about 18-24 months for the orthotic fitter

1 regulation to be complete.

2 Mr. Mitchell discussed naturopaths' legislation  
3 being not well written and causing issues going  
4 forward with regulations. He discussed a registration  
5 regulation and not a license regulation, which would  
6 essentially be regulations assisting with Mr. Kovach's  
7 draft.]

8 \*\*\*

9 [Chairman Loiselle thanked Mr. Kovach for his work.  
10 He stated the time period not being long enough for  
11 the examination may be an example of where a change to  
12 legislation originates within the Board and must be  
13 worked through the system.

14 Mr. Kovach explained that there actually was not  
15 a provision allowing orthotic fitters and others in  
16 that licensure grouping to obtain their experience as  
17 the law was written, but that portion can be tweaked  
18 through the regulatory process.]

19 \*\*\*

9 the Board would meet after the regular Board meeting  
10 to discuss the practitioners of oriental medicine and  
11 naturopathic doctor regulations.

12 Mr. Kovach noted an amended fee regulation that  
13 will need to be in place for the 2020 renewal cycle.  
14 He also noted regulations regarding physician  
15 assistants.

16 Mr. Kovach also noted the Interstate Medical

4 the meetings in the absence of the Chair and the need  
5 for a nomination.]

6 CHAIRMAN LOISELLE:

13 CHAIRMAN LOISELLE:

25 If the nominee has voted for Dr. Losee,

1 I vote with the group.

2 CHAIRMAN LOISELLE:

3 It would appear that all of the votes  
4 have been cast for Dr. Losee. I'd like  
5 to recognize Mr. Mitchell for thinking  
6 about the Board and the makeup of the  
7 Board as he decided to withdraw from  
8 consideration for the Vice Chair  
9 position. Thank you very much for that.  
10 Chairman Loiselles welcomed Dr. Losee as  
11 the Vice Chair of the Board.
