8 Bazzo, Director of the Fitness for Duty Program for

16 Mr. Wallace discussed their goal to get
17 physicians to practice adult outpatient primary care.
18 The program was created in 2013 by Dr. Leonard Glass
19 due to the statistics regarding baby boomers becoming
20 Medicare-eligible. According to the Association of
21 American Medical Colleges Annual Physician Workplace
22 Report, there are 91 active primary care physicians
23 per 100,000 people. He discussed the importance of
24 addressing the shortage of primary care physicians.

25 Mr. Wallace stated candidates include working

1 specialists interested in transitioning to general
2 medicine, physicians on leave of absence and ready to
3 return, retired physicians, physicians wanting part-
4 time work, and surgeons no longer performing surgery.

5 Dr. Bazzo discussed the need to relearn primary
6 care medicine.

7 Mr. Wallace stated the program is 90 percent
8 online and discussed 15 modules covering various
9 specialties. He noted the year interval to complete
10 the program and a 150-question final exam at the end.
11 Mr. Wallace also informed the Board of a placement
12 assistance program available to graduates.

13 In 2013, 1,700 people made inquiries regarding
14 the program, 233 physicians have enrolled, 75
15 participants graduated, and 80 percent of graduates
16 returned back to work.]

23 exam. He stated candidates who are up to date on CMEs
24 may apply and sit for the exam. The exam results are
25 immediately available and reported back to the State

1 Board of Medicine in addition to the candidate. A
2 diagnostic survey will be available to the candidates
3 that do not pass the exam in order to retrain in a
4 deficient area and retake the exam.

5 Mr. Roberts also discussed youth sports and

23 MR. KOVACH:

24 Pursuant to Section 708(a)(5) of the
25 Sunshine Act, the Board met in Executive

1 Session for the purpose of conducting
2 quasi-judicial deliberations to receive
3 advice of counsel in the matters upon
4 which the Board is about to vote.

5 The first matter for the Board's
6 consideration is File No. 17-49-03361.
7 There is no docket number.

8 Based on the Board's discussions
