10 2018-2019. She noted, as of July 1, 2019, there were
11 2,680 open cases for the Board, 310 warning letters,
12 11 cases where fines were issued, 74 cases where
13 suspensions were issued, 13 auto suspensions, 26
14 reprimands, 39 involuntary surrenders, 17 probation
15 cases, 11 revocation cases, 69 immediate temporary
16 suspensions, and 11,359 cases open for the whole
17 office. She stated the number of files opened in
18 Fiscal Year 2018-2019 was 14,030, up from 12,604 the
19 prior year.

20 Ms. DeLaurentis reviewed the Governor's Office of
21 General Counsel's mediation program. She also noted
22 various information and alerts available on the JNET
23 website. Board members had questions for Ms.
24 DeLaurentis.

25 Chairman Loiselle commended Ms. DeLaurentis and

1 her division for their great work. He also commented
2 that revocation is the most serious action of the
3 Board. He was proud of the Board's approach to those
4 cases with the "utmost seriousness and diligence", a
5 matter not taken lightly by the Board.]

6

7 Report of Acting Commissioner

8 [K. Kalonji Johnson, Acting Commissioner, reported
9 that House Bill 1172, Licensure by Endorsement, now
10 Act 41, was signed by the Governor on July 2, 2019.
11 He indicated the Board would now have the authority to
12 determine suitability for licensure and to improve
13 opportunities and bridge the gap for licensed
14 professionals coming into the Commonwealth to enter
15 into the workforce.

16 Acting Commissioner Johnson further indicated
17 that the Bureau was working to provide for these
18 provisional licensures through the PALS system. He
19 noted that Act 41 was not designed to supersede the
20 existing vehicles for endorsement, but designed to
21 enhance the Board's authority. Lisa Stevenson, Senior
22 Associate Counsel, UPMC, offered comments regarding
23 the matter. There was further discussion regarding
24 the definition of a provisional license and whether
25 the Board would even consider a provisional license.]

8 Report of Board/Regulatory Counsel

9 [Peter D. Kovach, Esquire, Board Counsel, noted House
10 Bill 1172, Act 41, was previously addressed by Acting
11 Commissioner Johnson. He added that Act 41 considers
12 the laws of other jurisdictions with regard to
13 testing, and that a Board committee would need to be
14 in place to help Board Counsel determine whether the
15 laws of another jurisdiction are substantially
16 equivalent to the laws in Pennsylvania. Chairman
17 Loiselle stated the Committee on Licensure
18 Qualifications would be the committee the Board would
19 defer to regarding that matter. There was further
20 discussion regarding Act 41 as it pertains to State
21 Board of Medicine regulations.

22 Mr. Kovach noted a committee meeting would be
23 held after the meeting with regard to the naturopathic
24 doctor regulations and noted matters for discussion
25 during Executive Session.]

2 For the Board's Information/Discussion

3 [Keith E. Loisel, Chairman, Public Member, noted the
4 current committee list and upcoming 2019 and 2020
5 Board meeting dates.

6 Chairman Loisel referred to the Probable Cause
7 Screening Committee, comprised of three individuals,
8 and suggested that if two agree on an action, the
9 third committee member would not be exposed to that
10 information and would not have to be recused and could
11 vote on the matter at the regular meeting.

12 Mr. Anderson explained the process procedurally
13 and stated a time period would have to be defined.
14 Mr. Mitchell, Dr. Losee, and Dr. Valigorsky were asked
15 to decide which two of the three-member committee
16 would receive the information in a case.

17 Chairman Loisel summarized that the matter
18 would be reviewed by A and B and not C, unless A and B
19 could not agree or do not reply within the established
20 time period, then it would go to C. He stated there
21 would be times when all three could become involved
22 and all three would have to be recused. There was
23 further discussion regarding the proposed plan and
24 additional safeguards to be put into place. There
25 would be further discussion regarding the matter

1 during Executive Session.]

3 Old Business/New Business

5 discussion of correspondence from the Pennsylvania
6 Medical Society regarding licensing of preventative
7 medicine physicians by the State Board of Medicine.

9 with Dr. TerKonda was scheduled for September 10,

12 Appointment - Discussion with Budget and Finance on
13 2020 Biennial Renewal Fees

14 [Kim Mattis, Director of Finance and Operations, and
15 Kim Adams, Chief of Fiscal Management, Department of
16 State, presented before the Board for discussion of
17 the Budget and Finance 2020 biennial renewal fees.
18 Ms. Mattis referred members to information regarding
19 projected biennial revenue, expenses, and balance. A
20 bar graph compared license population starting in
21 fiscal years 2014-2015 through 2019-2020. Revenue and
22 expenditures were shown starting in fiscal year 2011
23 through 2018-2019. Renewals by category and the
24 Board's overall financial status were reviewed.

25 It was recommended that the Board waive all

1 renewal fees for the upcoming cycle to provide a
2 balance. She further noted not changes to the
3 licensure classes but reducing the fee to \$225 for
4 medical physicians and surgeons. During the third and
5 final renewal cycle, the fee would be raised to \$250,
6 which is still lower than the present fee.

7 Ms. Mattis stated IRRC has recommended a review
8 of application fees on a regular basis.

9 Review of Fiscal Year 2021-2022 indicated a
10 balance of \$15.3 million, which Ms. Mattis stated is
11 where the Board should be. At the end of the
12 following renewal period, the balance would be just
13 over \$16 million, and at the end of the third renewal
14 period, \$17 million, which is the target number and
15 "good healthy balance". Board members had questions
16 and comments.]
