* Programs included on this list have met the requirements of the Professional Nursing Law §6.2(c). By virtue of a program being included on this list does not indicate the Board of Nursing's assurance that program graduates will be eligible to sit for examination leading to national certification as a clinical nurse specialist after program completion.

Additional clinical nurse specialist program names will be added to this list upon receipt of the necessary information from the programs as required by the Professional Nursing Law §6.2(c)(3).
