(National Association of Boards of Pharmacy)**

**August 14, 2013**

Effective immediately, test results may be obtained only through the National Association of Boards of Pharmacy's web site – [www.nabp.net](http://www.nabp.net).

Once the results are posted, please allow the Board time to process the exam score results. The Board will issue your license as soon as possible. When the results are processed, a final review of your application is also conducted to determine whether there is information within your application/file that may need to be updated prior to a license being issued.

Information on your license status may be obtained at [www.mylicense.state.pa.us](http://www.mylicense.state.pa.us).
