STATEWIDE MAILBALLOT VOTER FILE REQUEST

Section 1302.3(c) of the Pennsylvania Election Code, 25 P.S. § 3146.2c(c), provides that a county board of elections must distribute, upon written request, copies of district absentee and mail-in ballot voter lists to “any candidate or party county chairman.” The department has determined that because such absentee and mail-in ballot voter lists can be generated from the Statewide Uniform Registry of Electors (SURE) at a statewide level, the department will provide a statewide version of the absentee and mail-in ballot voter list extract to political parties and candidate campaigns who have requested the same.

AFFIRMATION

I affirm that any information obtained from the records requested from the Department of State will not be used for commercial or other purposes, except purposes related to elections, political activities and law enforcement, as required by 25 Pa.C.S. §§ 1207(b) and 1404(c)(2).

I verify that this statement is true and correct. I understand that false statements made are subject to the penalties of 18 Pa.C.S. Section 4904, relating to unsworn falsification to authorities.
