

BUREAU OF CORPORATIONS AND CHARITABLE ORGANIZATIONS

2020/2021 ANNUAL CHARITIES REPORT

September 30, 2021

SECRETARY OF THE COMMONWEALTH

September 30, 2021

Dear Fellow Pennsylvanians:

On behalf of the Department of State, we are pleased to present the 2021 Annual Charities Report. The report provides an overview of the activities carried out by the Bureau of Corporations and Charitable Organizations (BCCO), including registrations, investigations and audits of charitable organizations. It also provides helpful information for consumers making charitable giving decisions.

The mission of BCCO is to protect Pennsylvania residents by: (1) providing public disclosure of documents filed by charities and professional fundraisers; (2) promoting consumer education about charitable giving; and (3) investigating and prosecuting complaints of reporting violations and fraudulent conduct in the solicitation of charitable funds.

Consumers and charities are encouraged to visit the Department's charities <u>website</u>. The site offers a searchable database where consumers can confirm whether a particular charity is registered, file complaints and view educational materials. Charities and fundraising professionals can learn about their registration and filing responsibilities, view fundraising guidelines and access other resources. This and previous annual reports are available on the Department's <u>website</u>.

Thank you for your interest in the Pennsylvania Department of State and the work of its Bureau of Corporations and Charitable Organizations. If you have questions about the laws governing charities, or wish to report a fraudulent or deceptive solicitation practice, please contact BCCO at 1-800-732-0999 or https://www.dos.pa.gov/BusinessCharities/Charities/FileaComplaint/Pages/default.aspx.

Sincerely,

Bureau of Corporations and Charitable Organizations

Introduction

The Pennsylvania Department of State is responsible for the administration and enforcement of the Solicitation of Funds for Charitable Purposes Act (the Act), 10 P.S. §162.1, et seq.

The Act requires charitable organizations to register with the Department of State before they solicit contributions in Pennsylvania (unless they are specifically excluded or exempt from registration requirements).

The Act also requires professional solicitors to register prior to soliciting on behalf of charitable organizations in Pennsylvania. Professional fundraising counsels are also required to register before providing solicitation-related services in the Commonwealth.

The Act also lists prohibited conduct by persons soliciting for charitable contributions in Pennsylvania and penalties that may be assessed for violations.

This annual report covers the period of July 1, 2020 to June 30, 2021 and details:

- The number of charitable organizations, professional fundraising counsels, and professional solicitors registered in Pennsylvania;
- The number of organizations ordered to cease and desist solicitation in Pennsylvania; and

 The number of charitable organizations contracting with professional solicitors and compensation paid to the professional solicitor for each campaign in relation to funds raised and administrative costs.

Basic registration and financial information for all charitable organizations registered to solicit contributions in Pennsylvania can be obtained by visiting the Bureau of Corporations and Charitable Organizations' website at:

www.dos.pa.gov/BusinessCharities/Charities or by calling 1-800-732-0999, between the hours of 8:30 a.m. to 5 p.m. Monday through Friday.

Overview

The Bureau of Corporations and Charitable Organizations (Bureau) of the Department of State (Department) is responsible for carrying out the duties and responsibilities of the Secretary of the Commonwealth under the Solicitation of Funds for Charitable Purposes Act (the Act).

The Bureau carries out its functions related to the Act through the:

- Division of Registration and Compliance
- Investigations Unit

Division of Registration and Compliance

The Division of Registration and Compliance oversees the processes by which corporations and charitable organizations register with the Commonwealth pursuant to the Solicitation of Funds for Charitable Purposes Act (the Act).

The Division of Registration and Compliance also monitors professional solicitors and professional fundraising counsels who contract with charitable organizations that solicit contributions. Professional solicitors and professional fundraising counsels are required to provide documentation relating to their activities on behalf of charitable organizations.

The Bureau of Corporations and Charitable Organizations also serves as the repository for registration information pursuant to the Institutions of Purely Public Charity Act 10 P.S. § 371, et seq.

Institutions of purely public charity are those organizations that are receiving or claiming exemption from real property and/or sales tax and are not otherwise required to register pursuant to the Act.

Investigations Unit

The Department Bureau of Enforcement and Investigation partners with Department of State attorneys to pursue those charitable organizations, professional solicitors and professional fundraising counsels that fail to adhere to the registration requirements of the Act or that engage in fraud or other violations of the Act.

The Bureau of Enforcement and Investigation employs investigators and auditors who investigate complaints concerning violation of the Act.

Performance Highlights

Registration

During the period included by the 2020/2021 Annual Report to the General Assembly, the Division of Registration and Compliance has:

- Registered 14,691 Charitable Organizations.
- Reviewed more than 1,952 documents filed by more than 481 professional solicitors and professional fundraising counsels.
- Registered 1,757 Institutions of Purely Public Charity.
- Processed checks totaling over \$3.4 million.
- Responded to over 10,974 inquiries for information.

Enforcement

The enforcement of the Solicitation of Funds for Charitable Purposes Act (the Act) by the Office of Chief Counsel and the Bureau of Enforcement and Investigation resulted in:

- 38 Consent Agreements.
- Payment of fines in the total amount of \$214,000.
- 19 Cease and Desist Orders. There are currently 503 in effect.
- The completion of 149 investigations of charitable organizations, professional solicitor or fundraising counsels suspected of violating the Act.

Charitable Organizations

On June 30, 2021, there were 14,691 charitable organizations registered with the Department of State. Charitable organizations that solicit charitable contributions in Pennsylvania and are not otherwise excluded or exempt under the Solicitation of Funds for Charitable Purposes Act (the Act) must file the following:

- (1) Annual registration statements,
- (2) IRS 990 federal informational returns, and
- (3) Financial statements. Depending on the amount of their annual gross contributions, those financial statements may have to be compiled, reviewed or audited.

A charitable organization which receives annual contributions of \$750,000 or more must be audited by an independent certified public accountant or public accountant. Every charitable organization which receives annual contributions of at least \$250,000, but less than \$750,000, is required to have a review or audit of its financial statement performed by an independent certified public accountant or public accountant. Every charitable organization which receives annual contributions of at least \$100,000, but less than \$250,000, is required to have a compilation, review or audit of its financial statement performed by an independent certified public accountant or public accountant. A compilation, audit or review is optional for any charitable organization which receives annual

contributions less than \$100,000. These amounts were increased by Act 71 of 2017, effective February 20, 2018, from \$300,000, \$100,000 and \$50,000, respectively.

The Act defines "solicitation" as any direct or indirect request for a contribution on the representation that such contribution will be used in whole or in part for a charitable purpose, including but not limited to any of the following:

- (1) Any oral request that is made in person, by telephone, radio or television or other advertising or communication media.
- (2) Any written or otherwise recorded or published request that is mailed, sent, delivered, circulated, distributed, posted in a public place or advertised or communicated by press, telegraph, television or any other media.
- (3) Any sale of, offer or attempt to sell any advertisement, advertising space, sponsorship, book, card, chance, coupon, device, food, magazine, merchandise, newspaper, subscription, ticket or other service or tangible good, thing or item of value.
- (4) Any announcement requesting the public to attend an appeal, assemblage, athletic or competitive event, carnival, circus, concert, contest, dance, entertainment, exhibition, exposition, game, lecture, meal, party, show, social gathering or other performance or event of any kind.

A "**contribution**" is defined by the Act as the promise, grant or pledge of money, credit, property, financial assistance or other thing of any kind or value, excluding volunteer services, in response to a solicitation, including the payment or promise to pay in consideration of a performance, event or sale of a good or service. Payment by members of an organization for membership fees, dues, fines or assessments or for services rendered to individual members, if such fees, dues, fines or assessments confer a bona fide right, privilege, professional standing, honor or other direct benefit, is not deemed to be a contribution, provided that membership is not conferred solely as consideration for making a contribution in response to a solicitation. Government grants or contracts are not deemed to be a contribution.

While the Act generally requires organizations to register with the Bureau of Corporations and Charitable Organizations prior to soliciting charitable contributions, certain organizations are specifically and totally excluded from registration. For example, bona fide religious institutions and law enforcement organizations that meet certain criteria are typically excluded from the registration requirement.

Educational institutions, hospitals, veterans' organizations, volunteer fireman organizations, ambulance associations, rescue squad associations, public nonprofit library organizations, senior citizen centers, nursing homes and parent-teacher associations are typically exempt from the registration requirements of the Act, if they meet applicable criteria.

Charitable organizations that receive annual contributions of \$25,000 or less and do not compensate any person to conduct fundraising activities are also exempt from registration requirements under the Act. These exempt organizations are still required to comply with all other provisions, including, but not limited to, keeping true and accurate records of their fiscal activities.

Professional Solicitors

On June 30, 2021, there were 101 professional solicitors registered with the Bureau of Corporations and Charitable Organizations. Professional solicitors contract with charitable organizations to solicit direct monetary contributions and/or indirect contributions in the form of payment for goods, services or admissions to fundraising events for a charitable purpose. Basically, solicitors raise funds on behalf of charitable organizations and are permitted to have temporary (no more than five days) custody of those funds.

Professional solicitors must file annual registration statements and copies of their contracts with charitable organizations. In addition, they are required to secure a bond, file a solicitation notice with each contract and, as set forth in the next section, submit campaign financial reports.

546 contracts between charitable organizations and professional solicitors were processed during the reporting year.

Campaign Financial Reports

Professional solicitors must file campaign financial reports for each solicitation campaign they conduct in Pennsylvania. These reports must be filed within 90 days of the campaign's completion or on the anniversary of any campaign lasting more than one year. Campaign reports include contributions raised from the entire campaign, not just contributions received from the Commonwealth of Pennsylvania. The reports must list the total contributions raised during the campaign, the campaign's total expenses, and the amount of the total contributions the charitable organization actually received. This information, summarized in Appendices A and B of this report, represents 546 campaign financial reports filed on behalf of 294 charitable organizations.

Since some campaigns can be multi-years in scope, the report filed on an anniversary date during the campaign period may include funds reported on the previous year's report.

During the 2020/2021 fiscal year, professional solicitors filed campaign reports reflecting total revenues of \$1,218,520,677.10 and total expenses of \$196,871,916.56. Charitable organizations contracting with solicitors received \$1,036,985,593.59 or nearly 85% of the total revenue raised. However, it should be noted that one professional solicitor accounts for \$639,413,774.00 (52%) of the total revenue. This solicitor reports that the charity (of the same name) receives

\$639,412,774.00 (98.9% of the revenue raised). When this solicitor and related charity are removed, the remainder of all other charitable organizations that contract with solicitors received a total of \$579,106,603.10 or 74% of all revenue raised by solicitors.

Professional Fundraising Counsels

On June 30, 2021, there were 380 professional fundraising counsels registered with the Bureau of Charitable Organizations. Professional fundraising counsels are retained by charitable organizations to plan, manage, advise, consult or prepare solicitation materials. Unlike professional solicitors, professional fundraising counsels do not solicit contributions or have custody of contributions.

Professional fundraising counsels must file annual registration statements and copies of their contracts with charitable organizations no less than ten working days prior to conducting solicitation campaigns, events, or providing other services to charitable organizations.

Cease and Desist Orders

The Bureau of Enforcement and Investigation and the Bureau's Prosecuting Attorney issued 19 Cease and Desist Orders since the last annual report, and there are 503 Orders currently in effect. Generally speaking, Cease and Desist Orders are only issued after organizations have been notified of the registration requirements and failed to cooperate with the Bureau of Corporations and Charitable Organizations by becoming registered or by providing proof of exemption or exclusion from the requirements of registration. A list of all Cease and Desist Orders in effect is available on the Bureau's website at: www.dos.pa.gov/BusinessCharities/Charitie s/Resources/Pages/Enforcement-and-Disciplinary-Actions.aspx.

Other Enforcement Actions

In addition to Cease and Desist Orders, the Secretary of the Commonwealth may refuse to register or revoke, suspend or place on probation the registration of any charitable organization, professional fundraising counsel or professional solicitor for violations of the Solicitation of Funds for Charitable Purposes Act. Organizations may also face administrative fines of up to \$1,000 for each act or omission which constitutes a violation of the

Act and additional penalties of up to \$100 per day for continuing violations.

These enforcement actions are taken following notice and opportunity for a hearing (Adjudication and Order) or by an agreement of the parties that is approved by the Secretary (Consent Agreement and Order).

During the 2020/2021 fiscal year, 38 Consent Agreements were issued. These actions contained orders for payment of fines in the total amount of \$214,000 which were collected by the Department of State and sent to the Commonwealth's general fund. Copies of these Orders are available on the Bureau's website at:

https://www.dos.pa.gov/BusinessCharities/Charities/Resources/Pages/Enforcement-and-Disciplinary-Actions.aspx.

Campaign Financial Reports for Charitable Organizations which used Professional Solicitors (Alphabetically by Solicitor)

The following section displays campaign reports listed alphabetically by Solicitor. The gross amount is the amount raised for the charity by the solicitor. Total expenses represent the solicitor's expenses. The total amount received by the charity is the balance of funds raised after the solicitor's expenses have been deducted. The percentage figure represents the percentage of funds actually received by the charity. The charity's campaign reports typically include contributions raised from the entire campaign, not just those solicited directly in Pennsylvania.

Campaign Financial Reports for Charitable Organizations which used Professional Solicitors (Alphabetically by Charity)

The following section displays campaign reports listed alphabetically by charity. The professional solicitors that raised funds for the charity are listed under the charity's name. The gross amount is the amount raised for the charity by the solicitor. Total expenses represent the solicitor's expenses. The total amount received by the charity is the balance of funds raised after the solicitor's expenses have been deducted. The percentage figure represents the percentage of funds actually received by the charity. The charity's campaign reports typically include contributions raised from the entire campaign, not just those solicited directly in Pennsylvania.
