24 Miscellaneous

25 [George Hample presented before the Board for

1 discussion of the fact that his grandson, Gabriel
2 Hample, who apprenticed with him for nine months, was
3 denied the ability to test due to the fact the shop
4 license had expired during the time of the
5 apprenticeship. Mr. Hample noted mail had been lost
6 during the transition from one shop location to
7 another. He asked the Board to reconsider its
8 decision and allow his grandson to take the
9 examination.

10 Carrie Hample, Gabriel's mother, noted that
11 documentation of hours was provided to the Board in
12 May of 2019, Gabriel was given a temporary barber
13 license and one month later the license was revoked.
14 She asked the Board to reconsider the matter and that
15 Gabriel Hample be allowed to take the exam. A letter
16 of recommendation was provided to Board members.

17 Board members had questions. Mr. Rouse noted the
18 matter would be discussed during Executive Session.]

19 ***

20 Report of Board Counsel

21 [Ronald K. Rouse, Esquire, Board Counsel, noted
22 Motions 2 through 5; Final Adjudications and Orders 6
23 through 10; Proposed Adjudications and Orders 11
24 through 14; and Citation Appeals 15 through 17 as well
25 as 19 and 20 would all be discussed during Executive

1 Session.

2 Mr. Rouse provided an update with regard to Act
3 41 Licensure by Endorsement. He stated the purpose of
4 the Act was to reduce unnecessary barriers to
5 licensure for new residents, veterans, military
6 spouses and others who wish to move to and work in the
7 Commonwealth of Pennsylvania. He noted the State
8 Board of Barber Examiners had discussed proposed
9 amendments to its regulations to support Licensure by
10 Endorsement.

11 At the August 19, 2019 meeting of the Board of
12 Barber Examiners, Act 41 was discussed and it
13 authorized substantial equivalency as an applicant who
14 completed at least 1,000 training hours and passed the
15 practical examination in the state in which the
16 applicant holds a current and active barber license.

17 He stated the Board defined competency as
18 follows: If an applicant has less than 1,000 hours of
19 training, competency is demonstrated if the applicant
20 has two years of experience and takes the practical
21 and theory exam in the Commonwealth of Pennsylvania.
22 That over 1,000 hours of training, then competency is
23 shown by the applicant having two years of experience
24 and taking the Commonwealth written exam.

25 Mr. Rouse noted that Act 41 provides that the

1 Board would have authority to issue a provisional
2 license while the applicant is trying to satisfy the
3 remaining requirements.

4 Mr. Rouse would draft the regulations consistent
5 with the Board's voting of August 19, 2019. It was
6 noted that the Board still needed to discuss managers
7 and teachers.

8 Mr. Rouse discussed additional dates for taking
9 the practical barber exam. Board members were asked
10 to review the proposed 2020 dates noting that
11 additional dates were added in Philadelphia and
12 Pittsburgh and whether or not there should be
13 additional dates added to Harrisburg and Hazelton,
14 which are low test areas.

15 Stefan Halloway, licensed PA instructor and
16 proctor, commented that additional test dates would be
17 helpful, that those who have test anxiety could "get
18 it over with."]

19 ***

20 Report of Acting Board Chair

21 [Dominic A. Muniz, Acting Board Chair, Professional
22 Member, reported his attendance at NABBA's 93rd Annual
23 Conference in Sparks, Nevada, where there was
24 discussion with regard to educating today's youth, the
25 fundamentals of barbering, demonstrations on

1 haircutting techniques, and customer service. Mr.
2 Muniz noted at the meeting his discussion of House
3 Bill 1172 or Act 41 and an online apprenticeship
4 program.

5 Mr. Muniz noted that Leslie Roste, National
6 Director from Barbicide, made compelling arguments
7 about the barbering industry and discussed curriculum
8 requirements that could be eliminated, including
9 developing clientele, professional image, advertising,
10 history, anatomy, shop management, personality,
11 salesmanship, and cutting curly or overly curly hair.
12 He stated Ms. Roste believed that the word sanitize
13 should be removed from the books as there is no way to
14 properly sanitize, only to sterilize.

15 Mr. Muniz discussed a barber school advisory
16 committee to bring schools nationwide together to
17 create a more uniform curriculum. He stated NABBA was
18 following up with the barber pole initiative and
19 trademarking the pole so that it would be used for
20 barbering purposes only. The Barber Hall of Fame had
21 partnered with NABBA by selling bricks within their
22 property to raise money for the cause.

23 Mr. Muniz congratulated John Christopher, former
24 Chairman of the State Board of Barber Examiners, on
25 becoming NABBA's second vice president. Mr. Muniz was

1 asked to join NABBA as its Sergeant of Arms.]
