5 [Pursuant to Section 708(a)(5) of the Sunshine Act,  
6 the Board entered into Executive Session with Nicole  
7 L. VanOrder, Esquire, Board Counsel, to have attorney-  
8 client consultations and for the purpose of conducting  
9 quasi-judicial deliberations. The Board returned to  
10 open session at 10:30 a.m.]

11 \*\*\*

12 Official Call to Order

13 [Joseph Gerard Halloran, D.C., Chair, called the  
14 meeting to order at 10:32 a.m.]

15 \*\*\*

16 Meeting Instructions

17 [Nicole L. VanOrder, Esquire, Board Counsel, noted the  
18 meeting was being recorded, and those who continue to  
19 participate were giving their consent to be recorded.

20 Ms. VanOrder also noted the Board entered into  
21 Executive Session prior to the start of the meeting to  
22 have attorney-client consultations and for the purpose  
23 of conducting quasi-judicial deliberations regarding  
24 items 2 through 6 on the agenda.]

1 Introduction of Board Members/Attendees

2 [Ms. VanOrder requested an introduction of Board  
3 members and attendees.]

5 Adoption of the Agenda

6 CHAIR HALLORAN:

7 We need to make a motion to adopt the  
8 posted agenda for this Chiropractic  
9 Board Meeting of September 23, 2021.

10 I make a motion to adopt this  
11 agenda. Do I have a second?

12 DR. AUKERMAN:

13 I'll second it.

14 CHAIR HALLORAN:

15 We could do this by acclamation. All in  
16 favor, say aye. Does anybody have any  
17 nays or objections to adopting this  
18 agenda? The motion has passed. The  
19 agenda is adopted.

20 [The motion carried unanimously.]

21 \*\*\*

22 Approval of minutes of the July 15, 2021 meeting

23 CHAIR HALLORAN:

24 The next thing we have is Board minutes.

25 [Chair Halloran referred to page 13 line 3 through 12,

1 where former Board Counsel Nicole Ehrhart stated,  
2 "Chiropractors may not delegate active modalities" and  
3 believed it is an inaccurate statement. He suggested  
4 striking "chiropractors may not delegate active  
5 modalities." He noted the modalities Ms. Ehrhart  
6 stated, where they could not delegate, in her legal  
7 opinion, were not described.

8 Chair Halloran commented that the only thing they  
9 knew for sure by a Superior Court decision is that  
10 chiropractors cannot, at this point in time in the  
11 state, delegate therapeutic exercise. He did not want  
12 it in the record that they are tactically agreeing to  
13 minutes that might not be accurate. He again  
14 suggested deleting "chiropractors may not delegate  
15 active modalities."

16 Ms. VanOrder confirmed those six words for  
17 accuracy.

18 Dr. McCarrin suggested making an addendum to the  
19 minutes if they cannot take it out of the minutes  
20 because it was said. He commented that taking it out  
21 makes it subject to taking a lot of things out and  
22 asked whether it would be better to just make a  
23 correction to the minutes rather than remove something  
24 like it was never said.

25 Commissioner Johnson requested the Board return

1 to Executive Session.]

2

\*\*\*

3 [Pursuant to Section 708(a)(5) of the Sunshine Act,  
4 at 10:43 a.m., the Board entered into Executive  
5 Session with Nicole L. VanOrder, Esquire, Board  
6 Counsel, for attorney-client consultation regarding  
7 the minutes. The Board returned to open session at  
8 10:59 a.m.]

12 I make a motion that we table approval

14 for further consideration at the next  
15 Board meeting.

16 Does anybody second that motion?

17 MS. COATS:

18 I second that motion.

19 CHAIR HALLORAN:

20 We are going to have to have a voice  
21 vote for this.

22

23 Dr. Halloran, aye; Dr. Swank, aye; John  
24 McCarrin, aye; Kelsie Coats, aye; Dr.  
25 Aukerman, aye; Commissioner Johnson,

1 aye.

2 [The motion carried unanimously.]

14 DR. SWANK:

16 CHAIR HALLORAN:

17 There is a motion on the floor to accept  
18 the Consent Agreement and Order for Case

20 voice vote on this.

21

22 Dr. Halloran, aye; Dr. Swank, aye; Dr.

2 name for item 2 is Joel H. Burkett, D.C.]

3 \*\*\*

4 [David N. Smith, Esquire, Board Prosecutor, presented  
5 the Consent Agreement for Case No. 18-43-007577.]

6 CHAIR HALLORAN:

7 I make a motion to accept the Consent  
8 Agreement and Order for Case No. 18-43-  
9 007577.

10 Do I have a second to that motion?

11 DR. MCCARRIN:

12 I second that motion.

13 CHAIR HALLORAN:

14 We are going to have to do a voice vote  
15 on this.

16  
17 Dr. Halloran, aye; Dr. Swank, aye; Dr.

2 DR. SWANK:

4 Agreement for Case No. 21-43-010481.

5 CHAIR HALLORAN:

6 Do I have a second on that?

7 MS. COATS:

8 Second.

9 CHAIR HALLORAN:

10 I have a motion on the floor for Case  
11 No. 21-43-010481 to accept that Consent  
12 Order and grant it for this case. I  
13 would need a voice vote for that.

14

15 Dr. Halloran, aye; Dr. Swank, aye; Dr.  
16 Aukerman, aye; Kelsie Coats, aye; John  
17 McCarrin, aye; Commissioner Johnson,

22 Report of Commissioner

23 [K. Kalonji Johnson, Commissioner, Bureau of  
24 Professional and Occupational Affairs, noted September  
25 30 marks the expiration of the emergency declaration

1 and many of the regulatory suspensions associated with  
2 that, including the virtual platform. He stated all  
3 boards and commissions will be returning to Penn  
4 Center on October 1 due to that physical presence  
5 requirement being reinstated.

6 Commissioner Johnson noted all Commonwealth of  
7 Pennsylvania employees are required to wear masks and  
8 members of the public will be encouraged to wear  
9 masks, along with observing social distancing. He  
10 mentioned that communications will be going out to  
11 Board members later this week or early next week with  
12 regard to those policies and guidances.

13 Commissioner Johnson stated the prohibition on  
14 physical travel was lifted a month ago, and physical  
15 travel requests are now being accepted but encouraged  
16 Board members to consider virtual attendance for  
17 regional and national conventions.

18 Commissioner Johnson informed Board members of  
19 amendments to the Sunshine Act, which changed the way  
20 approvals are processed. He noted the Commonwealth of  
21 Pennsylvania has moved to an online approval process  
22 for travel requests and encouraged Board members to  
23 communicate through the Board administrator or Board  
24 counsel as soon as possible when being made aware of  
25 the conventions.

1 Commissioner Johnson stated travel requests  
2 cannot be approved until they have been formally voted  
3 on and finalized in the Board meeting and advised  
4 everyone to make travel arrangements early due to  
5 staffing shortages nationally.

6 Chair Halloran asked Commissioner Johnson whether  
7 Board members would be able to receive written travel  
8 request procedures.

9 Commissioner Johnson stated the department is  
10 working with all of the Board administrators to make  
11 sure links to the new portal are available to  
12 everyone.]

13 \*\*\*

14 Report of Board Counsel

15 [Nicole L. VanOrder, Esquire, Board Counsel, noted  
16 agenda items 5 and 6 for discussion with counsel  
17 present for the respondent in item 6. She mentioned  
18 there is a special meeting at 1:00 this afternoon to  
19 discuss the delegation to supportive personnel, noting  
20 three comments were received and will be discussed at  
21 that meeting.]

22 MS. VANORDER:

23 The first item I would like to discuss  
24 is Case No. 20-43-009659, Samuel Joseph,  
25 D.C., item 5 on the agenda.

1 I believe the Board has a motion on  
2 that item.

3 CHAIR HALLORAN:

4 This is Case No. 20-43-009659. I am  
5 going to make a motion for a final  
6 approval and issue an order for a Final  
7 Adjudication and Order in this case.

8 MS. VANORDER:

9 I believe it was a motion to approve and  
10 issue the Final Adjudication and Order  
11 in Case No. 20-43-009659, Samuel Joseph,  
12 D.C.

13 CHAIR HALLORAN:

14 That is my motion. Thank you for the  
15 assistance. Do I have a second on that?

16 DR. SWANK:

17 Second.

18 CHAIR HALLORAN:

19 There is a motion on the floor for Case  
20 No. 20-43-009659 to issue a Final  
21 Adjudication and Order in this case, and  
22 it's been seconded by Dr. Swank. Can I  
23 have a voice vote on this?

24

25 Dr. Halloran, aye; Dr. Swank, aye; Dr.

1                   Aukerman, aye; Kelsie Coats, aye; John  
2                   McCarrin, aye; Commissioner Johnson,  
3                   aye.

4 [The motion carried unanimously.]

5   \*\*\*

6 [Nicole L. VanOrder, Esquire, Board Counsel, informed  
7 the Board that counsel is present for item 6 if the  
8 Board had any questions before they make their motion.

9           Peter D. Kovach, Esquire, Board Prosecutor, noted  
10 a deadline for filing the motion, stating it is the  
11 suggestion of the Commonwealth of Pennsylvania that  
12 the matter proceed and the Board vote on its  
13 deliberation.]

14           James Kutz, Esquire, Post & Schell, P.C., counsel  
15 for the respondent, was present and participated in  
16 the discussion.]

17 CHAIR HALLORAN:

18                   I am going to make a motion to table any  
19                   further discussion on Case No. 18-43-  
20                   011786. We will not let this drag out.  
21                   We will deal with it at the next Board  
22                   meeting. Because there are more issues  
23                   coming to the Board on both sides on  
24                   this particular case, the Board believes  
25                   that it would be best for us to table

1 and consider everything.

2 I just made a motion that I am  
3 going to table this. Do I have a second  
4 to that?

5 MS. COATS:

6 I second.

7 CHAIR HALLORAN:

8 Let's do this by voice vote.

9

10 Dr. Halloran, aye; Dr. Swank, aye; Dr.  
11 Aukerman, aye; Kelsie Coats, aye; John  
12 McCarrin, aye; Commissioner Johnson,  
13 aye.

14 [The motion carried unanimously.]

15 \*\*\*

16 [Nicole L. VanOrder, Esquire, Board Counsel, addressed  
17 the special meeting at 1:00 this afternoon. She noted  
18 a separate agenda for the special meeting. She stated  
19 the Insurance Federation of Pennsylvania, Chiropractic  
20 Fellowship of America, and the Pennsylvania  
21 Chiropractic Association have submitted comments. She  
22 discussed the structure set around the meeting,  
23 including an opportunity for Board members to ask any  
24 additional questions that arise during that meeting.]

25 \*\*\*

1 Report of Board Chair

2 [J. Gerard Halloran, D.C., Chair, thanked Miriam Woods  
3 for her service to the Board.

4 Chair Halloran commented that there will be one  
5 chiropractor and two public member openings when Ms.  
6 Woods has finished her time on the Board and asked  
7 Commissioner Johnson for an update concerning Board  
8 membership.

9 Commissioner Johnson stated the administration  
10 was working diligently on improving the prospects for  
11 professional members. He noted public membership is  
12 always challenge across all boards and commissions but  
13 is optimistic that as everything returns to a  
14 semblance of normalcy, they will be able to better  
15 incentivize more opportunities for public members.

16 Commissioner Johnson stated the General Assembly  
17 does not have a lot of voting days within the next few  
18 weeks but are committed to confirming any names that  
19 come over from administration.

20 Chair Halloran addressed an article from the  
21 Cleveland Clinic, dated March 15, 2021, where  
22 epidemiologic research showed that smokers are nearly  
23 three times as likely to get lower back pain. He  
24 stated 18 percent of the people in this country are  
25 smokers, and smokers make up more than 50 percent of

1 patients who seek care from all practitioners for low  
2 back pain treatment and are prone to chronic pain  
3 syndromes. He commented that all professions,  
4 chiropractic included, should work toward recommending  
5 smoking cessation to their patients.

6 Chair Halloran announced Senate Bill 554 was  
7 signed into law as Act 65 of 2021 and is now in  
8 effect. He stated Board members and interested  
9 parties to Pennsylvania state board meeting must list  
10 business on the published agenda that will or may be  
11 discussed at the Pennsylvania state board meeting due  
12 to the Sunshine Act. He noted it does not apply to  
13 Executive Session or working meetings of Pennsylvania  
14 state boards.

15 Chair Halloran commented that a change to the  
16 agenda to add an item of agency business can still  
17 occur during a public meeting of Pennsylvania state  
18 boards for urgent matters as long as the reason or  
19 reasons for change in the meeting agenda is announced  
20 at the public meeting and agreed upon by the majority  
21 of the voting individuals.

22 Chair Halloran explained that the agency must  
23 post the amended agenda on the agency's website and at  
24 the agency's principal office on the first business  
25 day following the Board meeting. He noted the minutes

1 will reflect the reason for the addition to the  
2 agenda, the vote to add an item of business to the  
3 agenda, and the disposition of the matter that was  
4 added to the agenda. He also stated items placed on  
5 the agenda by Board members should be noted 2 weeks or  
6 10 business days before to make sure the item is added  
7 to the meeting.]

8 \*\*\*

9 Old Business

10 [J. Gerard Halloran, D.C., Chair, requested  
11 information on whether the Board is working to draft a  
12 regulatory package increasing Board fees consistent  
13 with the recommendations from the Bureau of Finance.  
14 He noted prior Board discussion regarding drafting a  
15 regulatory package in concert with the Bureau of  
16 Finance concerning fees. He mentioned an increase in  
17 fees would take time to get through the system, and  
18 the Bureau of Finance wants the Board to stay a little  
19 ahead of the curve as far as fees.

20 Chair Halloran asked Ms. VanOrder to provide  
21 information at the next meeting for discussion.

22 Chair Halloran requested information regarding  
23 whether the travel proposal has been accepted for he  
24 and Dr. Aukerman to attend the Federation of  
25 Chiropractic Licensing Boards (FCLB) Meeting October

1 7-10 in Jersey City, New Jersey.

2 Ms. Roberts explained that the travel proposal  
3 has been submitted but has not received a status as of  
4 yet.

5 Commissioner Johnson noted that there was a  
6 formalized vote, and he approved the proposal. He  
7 noted it is moving through the process but will work  
8 with Ms. Roberts to find out where it is in the  
9 process.

10 Chair Halloran commented that Ms. DeLaurentis  
11 reported in the January 21, 2021 meeting that there  
12 were 1,223 COVID complaints filed against all doctors  
13 of all professions with 32 of those COVID violations  
14 being investigated for chiropractors and requested  
15 more information concerning how that is being handled.

16 Carolyn A. DeLaurentis, Esquire, Deputy Chief  
17 Counsel, Prosecution Division, commented that they  
18 have received chiropractic complaints and continue to  
19 receive COVID complaints in the prosecution division  
20 in general. She noted an uptick in health board  
21 complaints but cannot speak to the details of those  
22 due to confidentiality.

23 Ms. DeLaurentis explained that counsel could be  
24 made aware of anything resulting in public filings or  
25 public discipline for any boards interested. She

1 mentioned filing two orders to show cause in a COVID-  
2 related case for the Cosmetology Board.

3 Chair Halloran asked whether complaints would be  
4 handled administratively through the prosecution  
5 office and then the Board informed later or will there  
6 be something for the Board to do in the future.

7 Ms. DeLaurentis explained that the cases are  
8 being handled like any other complaint. She noted  
9 they are prioritized because of the sensitive nature  
10 and some of them require a very timely response. She  
11 mentioned that the staff is continuously looking for  
12 complaints with certain trigger words, like COVID or  
13 vaccine, and prioritized for review and investigation.

14 Ms. DeLaurentis stated the cases are handled the  
15 same way as other cases, where they go out to the  
16 Bureau of Enforcement and Investigation (BEI), if  
17 necessary, and reviewed by prosecutors. She commented  
18 that she and the senior prosecutors review almost all  
19 of the cases with regard to COVID complaints. She  
20 noted cases would come before the Board with a consent  
21 agreement or hearing if a case is going to result in a  
22 publicly filed document and public discipline is  
23 requested by the prosecutors.

24 Chair Halloran referred to Act 116 of 2020  
25 regarding carryover of CE for the next licensing

1 period. He asked Commissioner Johnson whether he had  
2 any recommendations on how they handle carryover  
3 continuing education (CE) for that one period.

4 Commissioner Johnson stated the General Assembly  
5 left that discretion to each board to determine how  
6 they want to implement or whether they even want to  
7 implement the carryover of CE.]

8 CHAIR HALLORAN:

9 I am going to make a motion that we  
10 table the discussion on Act 116,  
11 carryover of continuing education but  
12 put it on the agenda for the next  
13 meeting to make sure we go over the  
14 issues and vote one way or the other and  
15 give our Board administrators time to  
16 handle this and not just throw it at  
17 them at the last minute.

18 I am making a motion. Does anybody  
19 want to second that motion?

20 DR. AUKERMAN:

21 I'll second it.

22 CHAIR HALLORAN:

23 We will have to have a voice vote for  
24 this. We are going to table discussions  
25 on Act 116, carryover of CEs for this

1 next licensing period until the next  
2 Board meeting. We want to put it on the  
3 agenda.

4  
5 Dr. Halloran, aye; Dr. Swank, aye; Dr.  
6 Aukerman, aye; Kelsie Coats, aye; John  
7 McCarrin, aye; Commissioner Johnson,  
8 aye.

9 [The motion carried unanimously.]

11 Miscellaneous

12 [Michelle Roberts, Board Administrator, apologized for  
13 not having the proposed 2022 meeting dates in the  
14 folder but offered to email the dates to everyone  
15 later today.

16 Ms. Roberts informed the Board of the need to  
17 select someone to replace Merry Woods for the Probable  
18 Cause Screening Committee and a substitute in case  
19 that person would not be available.

20 Chair Halloran proposed Kelsie Coats be the  
21 probable cause person, along with him as the backup.

22 Ms. VanOrder stated the Board does not have many  
23 instances where matters are taken before the Probable  
24 Cause Screening Committee and provided a summary of  
25 the probable cause process.

1           Chair Halloran commented that a probable cause  
2 case occurs maybe two to three times a year, where  
3 they consider the chiropractor's conduct is so  
4 egregious that immediate action needs to be done for  
5 the safety of themselves or others.

6           Ms. Coats agreed to be a probable cause member.

7           Chair Halloran asked whether any other  
8 chiropractor would want to be the alternate instead of  
9 him. Mr. McCarrin agree to be the alternate.

10 CHAIR HALLORAN:

11                       I make a motion that we appoint Kelsie  
12                       Coats as our probable cause Board  
13                       member, and we will also appoint Dr.  
14                       John McCarrin as or secondary probable  
15                       cause Board member to only be used in  
16                       the event that Kelsie Coats cannot be  
17                       contacted in an emergency situation.

18                       Do I have somebody to second that  
19                       motion?

20 DR. SWANK:

21                       I second it.
