Discussion Items

12

[Sean Barrett, Esquire, Board Counsel, addressed 16A-

13

4520 regarding fees. He believed the fee increases

14

would be published and final by the next renewal

15

period in January.

16

Ms. Eaton informed Board members renewal notices

17

would be going out around Thanksgiving.

18

Mr. Barrett addressed the career and technology

19

center (CTC) pilot program that was signed into law

20

July 8, 2022. He mentioned the Board previously had

21

a pilot program but addressed some minor changes

22

regarding distance education, including allowing

23

students in CTC schools to gain real-life experience

24

through job shadowing internships under the guidance

25

of a program educator that also compensates students.

1 Mr. Barrett stated that the CTC programs  
2 themselves have to provide certain information to the  
3 Board in order to track progress of the program to  
4 see who is utilizing it. He noted the statute allows  
5 the Board to seek information the Board wants other  
6 than what is statutorily required.

7 Mr. Barrett encouraged Board members to start  
8 pondering what other information should be tracked  
9 for successful progress of the pilot program. He  
10 explained that the life of the program is for the  
11 next three years, and the legislature would like  
12 feedback regarding many people are utilizing the  
13 program and requested the Board provide the  
14 information by June 30, 2023. He mentioned wanting  
15 to provide the programs with the form and placing the  
16 issue back on the agenda for the next meeting.

17 Mr. Barrett addressed Senate Bill 1287 that would  
18 reduce the footage requirements in a spa from 180  
19 feet to 120 feet. He informed Board members the bill  
20 is currently on the House floor and up for second  
21 consideration from the Appropriations Committee. He  
22 would to keep the Board updated on the bill.]
