22 CHAIRPERSON ERHARD: Dr. Dattilo served  
23 this Board and ultimately all Pennsylvanians with  
24 distinction for the past six years. Dr. Dattilo was  
25 admired for his understanding of issues facing the

1 Board and for his comments that were consistently well  
2 founded and on target. He brought the wisdom of a  
3 professional, who dedicated his career to his  
4 profession. In particular, Dr. Dattilo was the  
5 Board's number one resource as we worked through the  
6 updated anesthesia regulations, and the completion of  
7 those regulations is, in large part, testimony to Dr.  
8 Dattilo.

9 I am certain I speak for the entire  
10 Board when I note that Dr. Dattilo's presence at this  
11 Board table will be missed.

11 [Kerry E. Maloney, Esquire, Board Regulatory Counsel,  
12 updated the Board on the numerous pending regulations,  
13 being reviewed by the Department. The public health  
14 Dental Hygienist Practitioner regulation was reviewed  
15 by General Counsel and returned with comments in  
16 November 2018. The Board resubmitted the regulation  
17 based on the comments for movement by Deputy Chief  
18 Counsel. The Policy Office has identified the  
19 regulation as one of several priorities.

20 Mr. Maloney explained that the Dentistry Board's  
21 Child Abuse Reporting Requirements regulation, once  
22 promulgated, will be modeled by other Boards for their  
23 child abuse reporting requirements. The Anesthesia  
24 update will be resubmitted in the new fiscal year

25 Mr. Maloney discussed the combining of the

1 separate regulatory packages, General Revisions,  
2 Radiological Procedures, and Continuing Educations  
3 (CE), in order to swiftly move the regulations.

4 Mr. Maloney noted House Bill 353 (Act 96) for the

8 Bill.

9 Arlene G. Seid, M.D., M.P.H., discussed the

17 Report of Board Chairperson

18 John F. Erhard III, D.D.S., Chairperson, discussed his  
19 attendance at the Pennsylvania Dental Hygienist Annual  
20 Meeting in Scranton, Pennsylvania.

21 Chairperson Erhard noted correspondence from  
22 deans of dental schools regarding faculty licenses.  
23 Mr. Maloney responded to questions concerning the  
24 functions of foreign-licensed specialists, equivalency  
25 assessments, and the assignment of graduates of an

1 Advanced Education in General Dentistry (AEGD) or  
2 General Practice Residency (GPR) programs, and the  
3 graduates of specialty programs in another state or  
4 country. Chairperson Erhard reiterated his  
5 recommendation that the deans assemble to communicate  
6 their major concerns to present to Board Counsel.

7 Mr. Maloney discussed the Board's authority under  
8 the regulations and statutes to address matters.

9 Chairperson Erhard noted the frustration of the  
10 deans and the recommended course of action. R. Ivan  
11 Lugo, D.M.D, suggested inviting the deans to present  
12 to the Board. Dr. Lugo noted the Board does not grant  
13 specialty licenses. He requested information from the  
14 schools on addressing the underserved areas and the  
15 needs of the state.

16 The Board reiterated their desire that the deans  
17 formulate their concerns to present to the Board for  
18 discussion, as well as the actions and authority of  
19 the Board based on its guidelines.

20 Ms. O'Malley advised the need to make a public  
21 record by a presentation of the deans and the response  
22 of the Board. Mr. Maloney also counseled the Board on  
23 its ability to consider the information provided by  
24 the deans.

25 Chairperson Erhard announced the Commission on

1 Dental Competency Assessments (CDCA) was conducting  
2 its 50th Anniversary meeting in Orlando, Florida,  
3 which he could not attend due to this meeting. He  
4 sent a note on behalf of the State Board of Dentistry  
5 congratulating the organization on its 50 years of  
6 service, as well as noting Pennsylvania's original  
7 membership in Northeast Region 4.

8 Donna L. Schoenecker, RDH, attended the  
9 orientation of the CDCA meeting. She stated the  
10 meeting was very informative. Chairperson Erhard  
11 encouraged the members to become a part of the CDCA.

12 Chairperson Erhard addressed the effects of the  
13 recent national tragedies. He expressed concerns for  
14 public safety of the Board members, staff, and  
15 audience members, which in the past necessitated the  
16 need for armed guards in the building and board room.

17 Chairperson Erhard discussed the possible  
18 ramifications of the actions and decisions of the  
19 Board that are within the responsibility accepted by  
20 Board members. He offered a personal recommendation  
21 to the Department of State through the Commissioner to  
22 consider the use of metal detection devices at the  
23 entrance of the building and threat training for the  
24 Board members.

25 Mr. Maloney recognized the concerns for

1 threatening behavior and correspondence. He advised  
2 the Board members to inform the Board Administrator  
3 and Board Counsel of any concern. The Commissioner  
4 would be informed of the threat in order to refer the  
5 matter to the Capitol Police. Capitol Police have  
6 attended Board meetings in uniform and Undercover.  
7 Mr. Maloney further explained the security policies  
8 and procedures of the Department of State.

9 Chairperson Erhard discussed the circumstances of  
10 the unknown threats. Alice Hart Hughes, Esquire,  
11 stated the unknown attackers represent the greatest  
12 threat to the public. She stated churches have active  
13 shooter training to be prepared for these assaults, so  
14 should the Board members.

15 Mr. Maloney added that State employees do obtain  
16 active shooter training on a regular basis. He  
17 offered to present to the Commissioner the request for  
18 a metal detector and active shooter training for Board  
19 members. Dr. Lugo noted the Board is a part of the  
20 State.

21 The Board's parallel to a courtroom was noted for  
22 security measures.]

17 the Director of Anesthesia Services for the  
18 Pennsylvania Society of Oral and Maxillofacial  
19 Surgeons, passed away on October 23, 2018. Dr.  
20 Lindner began working with the Board directly in 2005  
21 with the implementation of the Anesthesia evaluation.  
22 We worked closely together over the years with a  
23 mutual admiration and respect. No matter the day or  
24 time, he was always available and willing to go out of  
25 his way to assist me with my needs, to travel to the

1 far corners of the state to ensure applicant licensees  
2 can have their inspections within a timely manner. He  
3 worked closely with the evaluators with scheduling  
4 inspections. He received and submitted evaluation  
5 reports from the Board office, and made numerous trips  
6 to Harrisburg to attend our meetings. He was the  
7 ultimate professional and displayed a tremendous  
8 knowledge and respect for the dental profession,  
9 especially in the area of dental anesthesia.

10 Over the years, our working relationship  
11 developed into a personal friendship. I had the honor  
12 of getting to know Dr. Lindner on a personal level.  
13 He was a very thoughtful man, a kind heart. I knew  
14 that he loved his profession and Steelers football,  
15 but even more so, he loved his family, his wife, his  
16 children, and his grandchildren. He has left a  
17 lasting legacy for his dedication to the dental  
18 profession. He was a loyal and loving friend,  
19 husband, father, and grandfather. I'm truly blessed  
20 to have known Dr. Lindner, and he will forever remain  
21 in my heart.
