

EIT Certificate Reminder:

In accordance with section 4.2 of Engineer Land Surveyor and Geologist Registration Law, 63 P.S. § 151.2, an applicant **cannot begin accruing four or more years of progressive experience** to qualify for the principles and practice of engineering examination until **AFTER** the engineer-in training certificate (EIT) is issued.

It is the responsibility of the applicant to apply for the EIT. Applicants must show satisfactory evidence of graduation from an approved engineering curriculum of four or more years or eight years of progressive experience approximating the education obtained through an approved engineering curriculum, to obtain the EIT. The date of issuance of the EIT will be the date the completed EIT application – including proof of graduation when applicable – is processed.
