12 Report of Board Regulatory Counsel

13 [Jacqueline Wolfgang, Esquire, Board Counsel, reviewed  
14 the Regulation Status Report.

15           Ms. Wolfgang extensively reviewed the 16A-724  
16 Fees, Proposed Preamble. She stated the Office of  
17 General Counsel submitted a memo with suggested  
18 changes to the regulatory fees.

19           Ms. Wolfgang also updated the Board on the recent  
20 evaluation by the Bureau of Financial Operations (BFO)  
21 regarding the Board's proposed fees. In the initial  
22 regulations, the Board proposed to increase the fee  
23 for initial applications from \$65 to \$100, increase  
24 the fee for CE to \$100, and increase the biannual fee  
25 to \$200. BFO suggested a fee of \$190 for the initial

1 application and \$215 for continuing education. Ms.  
2 Wolfgang made the Board aware of the BFO report in  
3 order to provide an opportunity to revise the pending  
4 regulations, if desired.

5 The Board discussed the pros and cons of pulling  
6 back the proposed fee package and reworking the  
7 regulatory package as compared to moving forward with  
8 the regulatory package as proposed.

9 Chairperson Lesik questioned whether a delay in  
10 processing the regulatory package would permit an  
11 activation for the 2019 renewal. Ms. Waters informed  
12 the Board the regulatory package generally takes two  
13 years, if not longer. Ms. Wolfgang could not  
14 guarantee that even the proposed regulatory package  
15 will be published before the new renewal period.

16 Ms. Meyers questioned whether the fee for a  
17 continuing education programmer was for every teaching  
18 applicant or for every proposed class. Ms. Niner  
19 stated the fee would apply to every class not on the  
20 preapproved list. The Board listed certain  
21 preapproved providers that will not need to go through  
22 the process as long as the class relates to massage  
23 therapy. Ms. Niner clarified that a registered class  
24 can teach any number of times.

25 Ms. Wolfgang advised the Board on the

1 ramifications for revising or not revising the  
2 regulations. She offered to touch base with the  
3 Commissioner's office to determine whether the Board  
4 may move forward with the regulation as proposed.

5 Deputy Commissioner Waters agreed to push forward  
6 with the regulation but had reservations for waiting  
7 longer.]

8 \*\*\*  
9 [Jacqueline Wolfgang, Esquire, Board Counsel, updated  
10 the Board on 16A-725 Proposed Annex, General Revisions  
11 regulation.]

12 \*\*\*  
13 Report of Board Counsel  
14 [Jacqueline Wolfgang, Esquire, Board Counsel, noted  
15 the Status of Cases report for the Board's review.  
16 She noted Adjudications and Orders, Records for  
17 Deliberation, and matters for discussion during  
18 Executive Session.]

19 \*\*\*  
20 Miscellaneous  
21 2017 FSMTB Annual Meeting  
22 [Chairperson Lesik, informed the Board of a request of  
23 the Commissioner's office regarding the annual (FSMTB)  
24 Federation of State Massage Therapy Boards meeting.]

25 \*\*\*

1 Updated BFO Report

2 [Ms. Wolfgang noted the updated BFO Report for the  
3 Board's information. Ms. Niner stated that report  
4 related to the fee report increases, which the Board  
5 did not adopt, so another updated BFO report will be  
6 provided at the Board's next meeting.]

8 House Bill No. 1488

9 [Natalie Cook, The Winter Group, addressed  
10 modifications to the professional licensure language.  
11 Ms. Cook informed the Board of the CE waiver that had  
12 been filed but not yet scheduled for committee  
13 consideration.

14 Chairperson Lesik discussed the addition of  
15 individuals applying for licensure in the commonwealth  
16 for the first time being exempted from the continuing  
17 education requirement for the biannual renewal period  
18 following initial licensure.]

20 2017 FSMTB Annual Meeting

21 [Chairperson Lesik informed the Board of an annual  
22 FSMTB meeting in September in Tampa, Florida. She  
23 mentioned the FSMTB website for resources.

24 Ms. Smith discussed the passage of resolutions  
25 last year regarding the qualifications of a student to

1 take the (MBLEx) Massage & Bodywork Licensing  
2 Examination. She noted the deadline for resolutions as  
3 July 1, 2017.

4 Ms. Smith discussed issues from the language of  
5 the MBLEx stating that a student merely needed to be  
6 enrolled in a massage therapy program before  
7 qualifying for MBLEx. Students were enrolled but had  
8 not yet completed their education.

9 There were also issues between states where  
10 certain states were actually using the MBLEx as their  
11 final testing for their schooling and the student had  
12 not officially graduated. A couple of states were  
13 upset because MBLEx was their final test, and if the  
14 student failed, the student would continue their  
15 education, address their deficiencies, and then let  
16 the student take the test again. This permitted the  
17 student to continue practicing or continue being  
18 enrolled as a student before passing and obtaining  
19 their licensure.

20 She stated the Policy Committee passed the  
21 resolution mandating that a student must complete the  
22 minimum hours required by their state before sitting  
23 for the MBLEx. The final resolution passed with a  
24 very large majority vote through the national  
25 convention last year.]

2 [Chairperson Lesik mentioned the 2017 FSMTB Annual  
3 meeting September 28 through September 30, 2017 in  
4 Tampa, Florida, and suggested sending a Board member  
5 who had not yet attended the meeting. Ms. Niner  
6 reviewed the guidelines for travel requests.]
