10 Report of Deputy Commissioner

11 [Katelin Lambert, Deputy Commissioner, provided an
12 update on the Medical Board renewals, which reflected
13 2000 more renewals in 2018 compared to 2015. She
14 stated the renewal process was very successful with
15 the Pennsylvania Licensing System (PALS).

16 Dr. Woodland commented that the mandatory child
17 abuse course would be repetitive having to repeat the
18 course every two years. He stated the opioid use
19 disorder course would raise awareness, and he received
20 his notification within a week or two after completion
21 online.

22 Dr. Robinson questioned whether there would be a
23 way to update the child abuse course. Dr. Woodland
24 suggested the addition of related issues that would
25 help educate providers differently, other than just

1 raising awareness and perhaps a different process to
2 reduce the time required to spend on this one topic,
3 such as a threshold exam to facilitate credit.

4 Dr. Losee discussed complaints with regard to the
5 administration of the test.

6 Chairman Loiselle questioned whether there was a
7 list of providers. Ms. Lambert stated a list of
8 approved providers was available on the Department of
9 State website.

10 Ms. Lambert noted graduate medical training (GMT)
11 for hospitals and training institutions on January 16,
12 2019. She discussed the launch of a new process for
13 submitting GMT initial applications and renewals. She
14 will provide additional updates in terms of
15 submissions and the number of licenses issued closer
16 to the July 1 deadline.

17 Ms. Lambert addressed the written agreement
18 between physicians and physician assistants, stating
19 that the Commissioner's Office would soon meet with
20 stakeholders to present a mockup of the written
21 agreement, and she will report back to the Board in
22 terms of a timeline at the next meeting.

23 Chairman Loiselle noted options for different
24 providers regarding the child abuse course, where the
25 institutions could make the decision to alleviate some

1 of the problems with the programs themselves.

2 Chairman Loiselle questioned the requirement of
3 the child abuse course to be every two years. He
4 noted a process through the legislative liaison to the
5 Board, in which the Board could issue a statement or
6 recommendation suggesting that the requirement be
7 reviewed and considering a legislative change.

8 Mr. Mitchell discussed the cost of the test,
9 noting Pittsburgh offers a free 3-hour test but does
10 not have a renewal option, and all of the other 2-hour
11 renewal options cost money. He noted questions raised
12 as to why the state did not offer education since the
13 course is mandated by the state.

14 Tanya Miller, MS, LAT, ATC, Pennsylvania Athletic
15 Trainers' Society, stated the Department of Education
16 mandates every five years that athletic trainers have
17 child abuse training, which is not accepted under the
18 Department of Human Services (DHS).

19 Mr. Maloney suggested providing the
20 Commissioner's Office with information related to the
21 professional associations entertaining legislature
22 after hearing comments. He noted that members of the
23 associations would be another avenue to make changes.

24 Chairman Loiselle questioned whether specifying
25 the parameters in a program and offering a program

1 that meets those requirements and eliminates the
2 issues discussed would be possible.

3 Ms. Lambert stated part of the approval process
4 would be through DHS, and she will obtain information
5 regarding the process for the Board to review at its
6 next Board meeting. She stated the Department of
7 State's approval process only allows child abuse to be
8 submitted electronically.]

9

10 Report of Committee on Department of Health
11 [Loren Robinson, M.D., MSHP, Deputy Secretary for
12 Health Promotion and Disease Prevention, Pennsylvania
13 Department of Health, stated much of the work had been
14 done regarding the budget. She noted a Department of
15 Health and Department of Human Services joint meeting
16 with stakeholders. She commented that there was no
17 proposition for the Department of Health and
18 Department of Human Services to merge like in prior
19 years.

20 Dr. Robinson stated the department requested
21 funding for Lyme disease because case counts continue
22 to rise. She commented that the Lyme disease advocate
23 community feels strongly that there should be mandated
24 continuing medical education (CME) on Lyme disease for
25 all physicians, which would require a legislative

1 approach.

2 Dr. Robinson discussed the report from the Public
3 Health Accreditation Board, where the site visit went
4 very well. She still awaited a report regarding
5 whether the department received public health
6 accreditation.

7 Dr. Robinson addressed the State of Tobacco
8 Control report card from the American Lung
9 Association. She commented that most of
10 Pennsylvania's grades were a "D" or "F" in terms of
11 overall grading. She stated one of the reasons
12 Pennsylvania received an "F" was because of no pending
13 legislation to raise the age to sell tobacco products
14 from 18 to 21.

15 Dr. Robinson noted additional categories,
16 including the addition of e-cigarettes. She commented
17 that one of the challenges of e-cigarettes was all of
18 the states waiting for official recommendations from
19 The Centers for Disease Control and Prevention (CDC)
20 in terms of what the states should be doing in terms
21 of actions about e-cigarettes.

22 Dr. Robinson stated there is no forward path in
23 terms of how to categorize or tax e-cigarettes, but
24 the American Lung Association have their own thoughts
25 about how progressive states should already be in that

1 field.]

3 Report of Committee on Health-Related Professionals
4 [John M. Mitchell, L.P., C.C.P. thanked Mr. Kovach and
5 Mr. Maloney regarding the naturopath regulations being
6 passed. He also stated the oriental medicine piece
7 will also pass.]

25 that he invited the legislative liaison to meet with

1 the Board again after the members are fully rounded
2 out.

3 Chairman Loiselle noted the committee meeting
4 following the Board meeting to hopefully gain support
5 or momentum behind some changes to the physician
6 assistant agreements.

7 Chairman Loiselle discussed the committees as
8 being a tremendous way for the Board members to take
9 on more responsibility.]

17 [Peter D. Kovach, Esquire, Board Counsel, referred to
18 the naturopathic doctor exposure draft No. 3. He also
19 referred to the practitioner of oriental medicine
20 exposure draft No. 2, which was a complete reworking
21 of the last one based on feedback from the
22 stakeholders and Governor's Policy Office on what is
23 currently a practitioner of oriental medicine.

24 Mr. Kovach commented that there was not enough
25 time for the stakeholders to review and comment on

1 those. He stated that the rulemaking packages will be
2 moved to next month's committee meeting for the
3 Board's review.]

14 of those committees.]

15

16 [The Board recessed from 10:35 a.m. until 10:45 a.m.]

17

18 [Pursuant to Section 708(a)(5) of the Sunshine Act, at
19 10:45 a.m. the Board entered into Executive Session
20 with Peter D. Kovach, Esquire, Board Counsel, and
21 Kerry E. Maloney, Esquire, Board Counsel, for the
22 purpose of conducting quasi-judicial deliberations and
23 to receive legal advice from Board Counsel. The Board
24 returned to open session at 2:02 p.m.]

1 MOTIONS

2 MR. KOVACH:

3 Pursuant to Section 708(a)(5) of the

5 Session for the purpose of conducting
6 quasi-judicial deliberations and to
7 receive advice of Counsel on the matters
8 upon which the Board is about to vote.

9 The first matter was not

11 probably does need to vote on this
12 regarding Dr. Losee potentially not
13 being able to attend the FSMB Conference
14 and providing a substitute for him.

15 I believe the Board Chair might
16 accept a motion to have Dr. Valigorsky
17 attend as a substitute, as Dr. Losee is
18 unavailable for that.

13 Mr. Mitchell recused themselves from deliberations and
14 voting on the motion. The Respondent's name is Joseph
15 F. McNeil, LRT.]
