16 Report of Commissioner

17 [K. Kalonji Johnson, Acting Commissioner of  
18 Professional and Occupational Affairs, reminded the  
19 Board that Act 41 officially became effective on  
20 August 29, 2019. He noted, as previously discussed,  
21 that the impact of the Act would vary from Board to  
22 Board, and that after the meeting, there would be  
23 further discussion regarding the Act.

24

25 Acting Commissioner Johnson reported on still  
working through feedback that was provided at a recent

1 meeting regarding the physician assistant agreement  
2 process. He hoped to have a report before the next  
3 meeting regarding the matter. He stated moving  
4 forward to 2020 there would be discussions regarding  
5 delegate functionality.]

7 Report of Committee on Allied Health-Related  
8 Professionals

9 [John M. Mitchell, L.P., C.C.P., reported that  
10 discussions will continue regarding naturopathic  
11 regulations and a decision would be made regarding  
12 which exposure draft would be adopted.

13 Mr. Mitchell hoped to form a PA subcommittee to  
14 help expedite written agreements.

15 Chairman Loiselle commented that he thought at  
16 the last meeting that subcommittee was formed de  
17 facto, but that apparently it was not. He requested a  
18 motion to approve the formation of the PA Subcommittee  
19 under the Committee on Allied Health Professionals and  
20 a motion to empower that committee to act on the  
21 Board's behalf intermeeting, that any concerns by the  
22 subcommittee would be reviewed, and then approved or  
23 rejected by the full Board in a timely manner. There  
24 was further discussion regarding the matter.

25 Chairman Loiselle summarized his opinion that

1 those matters approved by the subcommittee would have  
2 the same effect as if the entire Board voted on it.  
3 But if an issue reviewed by the subcommittee was  
4 denied, that matter would be "tabled" by the  
5 subcommittee until the full Board reviewed the matter.  
6 There was further discussion regarding the authority  
7 of a subcommittee.]

8 CHAIRMAN LOISELLE:

9 Do I have a motion to form a subcommittee  
10 for evaluation of PA agreements?

11 MR. MITCHELL:

12 So moved.

13 CHAIRMAN LOISELLE:

14 Mr. Mitchell moves.

15 ACTING COMMISSIONER JOHNSON:

16 Second.

17 CHAIRMAN LOISELLE:

18 Acting Commissioner Johnson seconds. All  
19 in favor of the formation of a committee  
20 signify by saying aye. Are there any  
21 opposed to that?

22 [The motion carried unanimously.]

23 \*\*\*

24 CHAIRMAN LOISELLE:

25 The second motion I'd like to ask for

1 would be to empower the subcommittee to  
2 make decisions on behalf of the full  
3 Board. Do I have a motion for that?

4 MR. MITCHELL:

5 So moved.

6 CHAIRMAN LOISELLE:

7 Mr. Mitchell moves.

8 ACTING COMMISSIONER JOHNSON:

9 Second.

10 CHAIRMAN LOISELLE:

11 Acting Commissioner Johnson seconds. All  
12 in favor? Are there any opposed?

13 [The motion carried unanimously.]

15 Appointment - FSMB Presentation

16 [Sarvam TerKonda, M.D. and David Johnson, M.A.,  
17 presented before the Board for a PowerPoint discussion  
18 of the Federation of State Medical Boards (FSMB),  
19 including the 16 Board of Directors. Mr. Johnson  
20 referred to an organizational chart for further  
21 discussion.]

22 Mr. Johnson discussed services provided by the  
23 Federation on behalf of state medical boards across  
24 the country, including credential verification, a  
25 physician data center comprised of licensing and

1 disciplinary information, and board certification. He  
2 noted information also put into a publicly available  
3 format.

4 Mr. Johnson noted his work on the United States  
5 Medical Licensing Examination (USMLE), which is co-  
6 owned by the FSMB and the National Board of Medical  
7 Examiners (NBME). He discussed the Federation's  
8 annual meeting being comprised of educational  
9 programing, as well as providing an opportunity for  
10 networking and a chance to sit down in an unstructured  
11 manner for conversation with members and staff from  
12 other state medical boards.

13 Mr. Johnson discussed additional educational  
14 offerings, including board attorney workshops, round  
15 tables, monthly webinars, and meetings with Board  
16 staff. He noted the next annual FSMB meeting would be  
17 held in San Diego in the spring.

18 He referred to an online resource developed over  
19 the past couple of years, one designed specifically  
20 for medical students and residents offering content  
21 such as the role of the medical board and the  
22 disciplinary process. He noted that modules were  
23 currently being designed for members of state medical  
24 boards. Mr. Johnson stated the 2018 Physician Census  
25 plays a role in helping policy makers and healthcare

1 organizations to better understand the nation's  
2 healthcare workforce.

3 Mr. Johnson commented that in the past few years  
4 the Federation has received recognition as an  
5 accredited CME provider and would be willing to work  
6 with the Medical Board regarding CME development. He  
7 noted different websites that provide a page-by-page  
8 breakdown of regulations in other states. He highly  
9 recommended that the Board members visit those pages.

10 Dr. TerKonda referred to the Washington, D.C.  
11 Advocacy Office for further discussion of the kinds of  
12 services offered to state medical boards, which  
13 include tracking of legislative items, oral and  
14 written testimony related to new bills, coordination  
15 of meetings with federal agencies, and FSMB updates in  
16 a monthly newsletter which the Board can subscribe to.

17 Dr. TerKonda reiterated the contents of the FSMB  
18 website. He referred to the Interstate Medical  
19 Licensure Compact for further discussion of the number  
20 of states that have been enacted. Board members had  
21 questions and comments for Dr. TerKonda and Mr.  
22 Johnson. Both gentlemen were thanked for presenting  
23 before the Board to explain these complex issues.

24 Chairman Loiselle recommended that each committee  
25 chairperson visit that website prior to Board meetings

1 for information relative to their particular  
2 committee. Dr. TerKonda identified himself as the  
3 liaison between the FSMB and the various boards but  
4 noted that anyone from the Federation staff would be  
5 available as well.

6 It was noted that 11 to 12 CME credit hours are  
7 available for doctors who attend the annual meeting,  
8 and that the FSMB, being an accredited CME provider,  
9 can help certify courses for CME credit. It was  
10 further noted that experienced executives can also  
11 attend the New Exec Orientations.]

12 \*\*\*

13 [K. Kalonji Johnson, Acting Commissioner of  
14 Professional and Occupational Affairs, exited the  
15 meeting at 10:36 a.m.]

16 \*\*\*

17 [The Board recessed from 10:36 a.m. until 10:46 a.m.]

18 \*\*\*

19 Appointment - Regulatory Process Presentation  
20 [Cynthia Montgomery, Esquire, Deputy Chief Counsel,  
21 presented before the Board for a PowerPoint discussion  
22 of the eight basic steps of the regulatory process  
23 that include the drafting phase, prepublication  
24 review, publication of the proposed regulation for  
25 public comment, legislative committee and Independent

1 Regulatory Review Committee (IRRC) review, regulation  
2 return to the Board for revision of the final  
3 rulemaking, postpublication review, review by the  
4 legislative committee and IRRC, and then the final  
5 publication of the regulation.

6 She discussed circumstances in which the  
7 publication of a notice of proposed rulemaking may be  
8 omitted. Ms. Montgomery explained the impact of sine  
9 die adjournment on a proposed rulemaking, that during  
10 sine die there are no committees.

11 Ms. Montgomery summarized by noting the system  
12 was designed to create regulations that make sense for  
13 the regulated community that are enforceable by the  
14 Board. It was noted that Pennsylvania received a B+  
15 because it has a robust regulatory process.

16 Ms. Montgomery offered to return to a Board  
17 meeting for further discussion of specific questions  
18 during Executive Session. She talked further about  
19 the difficulty in researching legislative intent in  
20 Pennsylvania.]

21

\*\*\*

22 Report of Committee on Legislation/Policy Development  
23 and Review

24 [Keith E. Loisel, Public Member, Chairman, noted his  
25 report consisted of the areas just discussed by Ms.

1 Montgomery. He noted additional questions such as,  
2 when does the Board get involved in the regulatory  
3 process? How would the Board get involved early on to  
4 make available the Board's expertise to those  
5 legislators and writers of the preamble and the early  
6 language for the proposed legislation so it would not  
7 end up with proposed rules or legislation that would  
8 be very difficult for the Board as a licensing and  
9 disciplinary Board to enforce?]

10 \*\*\*

11 Report of Committee on Licensure Qualifications

12 [Mark Woodland, M.D., noted that he and Doctors Losee  
13 and Domen are on the committee. He stated a committee  
14 meeting would be held immediately following the  
15 Board's meeting for review of Act 41 or House Bill  
16 1172.]

17 \*\*\*

18 Report of Board Vice Chairman - No Report

19 \*\*\*

20 Report of Board Chairman

21 [Keith E. Loiselle, Public Member, Board Chairman,  
22 noted several committee meetings would be held after  
23 the Board meeting and also urged those interested  
24 parties to join the meeting.]

25 \*\*\*

1 Report of Board Counsel

2 [Peter D. Kovach, Esquire, Board Counsel, noted that  
3 at last month's meeting there had been discussion  
4 regarding making changes to the Probable Cause  
5 Screening Committee due to issues with recusals. That  
6 when a proposal was made, instead of sending it to the  
7 three members of the Probable Cause Screening  
8 Committee, the Board was exploring the possibility of  
9 only sending it to two primary members initially, that  
10 with any split decision or recusal, it would then go  
11 to an alternate member.]

12 \*\*\*

13 [Mark B. Woodland, M.D., exited the meeting at 11:14  
14 a.m. and re-entered at 11:15 a.m.]

15 \*\*\*

16 [Mr. Kovach explained the matter would be best  
17 discussed during public session. A form was  
18 distributed for review by members. Chairman Loisel  
19 offered an additional explanation regarding quorum  
20 issues when members of the Probable Cause Screening  
21 Committee need to recuse themselves. Ms. Shekletski  
22 stated two members and an alternate is the better  
23 solution. There was further discussion regarding the  
24 matter.]

25 MR. KOVACH:

1 I would recommend a motion that the  
2 Probable Cause Screening Committee would  
3 have two primary members who would  
4 initially receive all matters that would  
5 come to the Probable Cause Screening  
6 Committee. That a third member would be  
7 designated as an alternate member. That  
8 the matter sent to the Probable Cause  
9 Screening Committee would first be sent  
10 to the two primary members who would have  
11 72 hours to review the matters.

12 If there is a split among the  
13 members in their vote, if one of them  
14 needs to recuse or one of them does not  
15 respond within 72 hours, only at that  
16 point would the matter sent to the  
17 Probable Cause Screening Committee be  
18 sent to the alternate member. And at  
19 that point, the alternate member would be  
20 able to count.

21 [There was further discussion regarding the motion.  
22 Chairman Loiselle commented that the committee has the  
23 right or option to change the two primary and  
24 alternate based on vacations, inability to attend,  
25 sickness, et cetera.]

1 CHAIRMAN LOISELLE:

2                   Do we have a motion to accept the  
3                   proposed change to Probable Cause  
4                   Screening Committee?

5 MR. MITCHELL:

6                   I'll make the motion.

7 CHAIRMAN LOISELLE:

8                   Do we have a second?

9 DR. VALIGORSKY:

10                   Second.

11 CHAIRMAN LOISELLE:

12                   All in favor? Any opposed?

13 [The motion carried unanimously.]

14   \*\*\*

15 Regulatory Status Report

16 [Peter Kovach, Esquire, Board Counsel, stated public  
17 comments were received regarding the three options  
18 proposed related to the naturopathic doctor  
19 regulations. He noted the Board has to elect the  
20 exposure draft that it wishes to proceed forward on in  
21 terms of promulgating a proposed regulation.

22                   Mr. Kovach stated discussion regarding the matter  
23 could be conducted during the public session, but  
24 legal advice would have to be offered during Executive  
25 Session.

1           A member of the Pennsylvania Association of  
2 Naturopathic Doctors commented that the Association  
3 supports Draft 4B, and stated 4A proposes allowing lay  
4 practitioners to use designations ND Traditional and  
5 ND Trad when this was not laid out in the statute  
6 passed. The statute does not address titles for lay  
7 practitioners, so the rules and regulations should not  
8 regulate lay practitioners either.

9           She further commented that 4C would only regulate  
10 the use of the abbreviation RND, which is not included  
11 in the statute and is not a title currently used in  
12 the other 24 jurisdictions that regulate naturopathic  
13 doctors that could cause confusion between  
14 naturopathic doctors, registered dietitians, and  
15 registered nurses.

16           Wesley Rish, Esquire, present on behalf of the  
17 traditional naturopathic group, recalled that version  
18 4B was supported by the group of traditional  
19 naturopaths in previous committee meetings and does  
20 not address the use of the abbreviation ND. He  
21 suggested that the Board promulgate 4B.

22           Chairman Loiselle stated the comments received  
23 reflect the use of term licensed naturopathic doctor.  
24 He noted that the Board was not currently licensing  
25 anyone but only registering, that any reference to

1 licensing would need to be removed from any of the  
2 options. There was further discussion regarding the  
3 matter.]

4 MR. MITCHELL:

5 I'd like to offer up a motion to approve  
6 Version 4B of the Naturopathic  
7 Regulations removing all references to  
8 licensed naturopathic doctors.

9 CHAIRMAN LOISELLE:

10 So moved.

11 DR. JOSHI:

12 Second.

13 MR. MITCHELL:

14 All in favor? Any opposed?

15 [The motion carried unanimously.]

16 \*\*\*

17 [Chairman Loiselles thanked Mr. Mitchell and the  
18 committee, members of the Board, Mr. Kovach and  
19 stakeholders for their diligent efforts regarding the  
20 regulation.]

21 \*\*\*

22 For the Board's Information-Discussion

23 Board Committee List

24 [Chairman Loiselles anticipated new members joining the  
25 Board.]

1 \*\*\*

2 Board Meeting Dates

3 [Board members were referred to the upcoming 2019 and  
4 2020 Board meeting dates and were asked to contact the  
5 Board Administrator if any of the dates do not work  
6 with their schedules.]

7 \*\*\*

8 Old Business-New Business

9 [Chairman Loiselle referred members to correspondence  
10 from the Accreditation Council for Continuing Medical  
11 Education (ACCME) and the U.S. Department of Veterans
